NOTE THE DATE: Saturday, April 28, 2018
8:00 a.m. - Noon
at Fairgrounds in Centreville
Use Main Street (M-86) Entrance

Household Hazardous

Waste:

Collected material will be handled by Drug and Laboratory. This service is available to St. Joseph County Residents only.

Materials accepted:

Pool chemicals, pesticides, old gas, auto batteries, fluorescent bulbs, oil-based paints, stains, pharmaceutical needles (sharps), smoke alarms, and more. Look for signs such as danger, combustible

Materials not accepted:

No explosives.

No waste oil – it can be recycled at auto parts stores.

The following fees apply:

Up to 100 pounds at no charge;

\$1.00/lb. for everything over 100 pounds.

The cost to provide pesticide disposal has more than doubled for 2018.

Donations accepted and appreciated to help defray cost of this service.

Paper Recycling:

CMS Green will be accepting cardboard, newspaper, magazines, junk mail, phone books. (NO plastics)

Appliance Recycling:

We are happy to offer the recycling of refrigerators, freezers, dehumidifiers and window air conditioners at this collection. **For electric customers served by the City of Sturgis and Midwest Energy, you may be eligible for a rebate if appliance is still in working condition.**

Refrigerator - \$50 rebate Air Conditioner - \$15 rebate

Stand Alone Freezer - \$50 rebate Dehumidifier - \$15 rebate

We will accept appliances from all residents but no rebate.

Electronics:

Collected material will be handled by Green Earth Electronics Recycling.

Materials accepted:

Personal Computers Laptop Computers Scanners

Telephones Printers Monitors

Televisions DVD Players VCR's

Game Systems Cables, Wires, etc.

****Please Note**the electronic recycling will be offered at no charge as St. Joseph County will pay the recycling fee for its residents. (Donations encouraged)**

Tires:

Cobalt Holdings will be collecting tires.

Cost per tire: Passenger/light truck \$ 2.00 each

 Semi \$ 5.00 each

 Tractor \$25.00 each

Tires must be free of Mud, Concrete, Tree Vines, etc.

Latex Paint:

ePaint Recycling will offer latex paint recycling.

There will be a fee of **\$2.00 per can** (regardless of amount in can).

Please separate your latex paint from oil-based paint/stain.

These programs offered by St. Joseph County and the County Solid Waste Committee. Please note, some services have fees as listed above.

****Please call 269-467-5617 for questions****
