Proposal 20-2

A proposed constitutional amendment to require a search warrant in order to access a person's electronic data or electronic communications

This proposed constitutional amendment would:

- Prohibit unreasonable searches or seizures of a person's electronic data and electronic communications.
- Require a search warrant to access a person's electronic data or electronic communications, under the same conditions currently required for the government to obtain a search warrant to search a person's house or seize a person's things.

Should this proposal be adopted?
