

# Request for Proposal for additions and renovations to St. Joseph County Animal Control

Additions and renovations include:

- 1- 10`x 20`x 4" concrete pad attached to the S.W. corner of the building with metal shed roof and 4 chain link kennel areas attached.
- 2- 5 guillotine dog doors installed in existing block wall.
- 3- 10`x 15` intake area with 6` high walls built in the existing garage area.
- 4- Install a 34"- 36" steel door in the existing door opening between the main kennel and the Quarantine area.
- 5- Install a 36" steel entry door with a ½ light on the E. side of the building.
- 6- Build a 12`L x 8`H wall to separate the grooming / laundry area with a 36" solid wood door installed.
- 7- Install a 36" solid wood door at the cat kennel area.

The County needs to receive the proposals for this project no later than 1:00 pm March 27, and the project needs to be completed by November 1.

Please contact Tim Hochstetler, Building and Grounds Director, ph. 269-467-5655, to set up an on-sight inspection.
