Severe Weather Recovery – Self Reporting Survey

If you had damage to your property in St. Joseph County during the severe weather events on August 11 and 12, 2021, please take a few minutes and fill out a self-reporting damage survey to tell us about it! We are looking to find resources to help residents in the county and knowing where the damage is and what occurred will help with that effort. A link to this survey can be found here: <https://arcg.is/10ablj>
